"Being in touch with the food you create and the respect for all the hard work that goes into producing it, you can be confident in knowing what you are feeding your guest" says Corporate Chef Anthony Young. It was with this credo that he designed the Sawridge menus, adding a Canadian flair and First Nations inspired flavours to create a unique cuisine. From Europe to North America, Anthony has been around the world in his career. He now brings his passion for food and international experience to the Sawridge table.

Whatever the event, from an intimate family brunch, to a sophisticated cocktail buffet to a grand reception banquet, Anthony and our culinary team will assist you from planning to execution.
